

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF GAS AND ELECTRIC RATES)	
OF LOUISVILLE GAS AND ELECTRIC COMPANY)	CASE NO. 10064

O R D E R

On May 26, 1988, the Attorney General's Office, Utility and Rate Intervention Division, and Residential Intervenors filed a Joint Motion for Clarification of the Commission's Order entered May 20, 1988 authorizing a procedure whereby the new rates when approved by the Commission will be effective on May 20, 1988. In that Order, the Commission characterized a Motion filed by the Louisville Gas and Electric Company ("LG&E") as providing that when the Commission approves new rates it will also authorize the collection of the new higher rates as of May 20, 1988. The Motion for Clarification states that LG&E's Motion requesting the May 20, 1988 effective date for new rates was not limited to higher rates but was applicable to any change in rates.

Based on the Motion for Clarification and a further review of LG&E's Motion, the Commission is of the opinion and hereby finds that its Order entered May 20, 1988 should be clarified to recognize that LG&E's Motion was not limited to higher rates but applied to any new rates.

IT IS THEREFORE ORDERED that the Commission's Order entered May 20, 1988 be and it hereby is modified as provided hereinabove.

Done at Frankfort, Kentucky, this 13th day of June, 1988.
